

**ISIS, Iran, Russia and America's Foreign Policy
Representative Ed Royce**
Chairman, House Committee on Foreign Affairs

Congressman Ed Royce, Chairman of the House Committee on Foreign Affairs, will update patriots at the Townsend Residence in Fullerton on Saturday, October 11, 2014 at 7 pm on Sergeant Andrew Tahmooressi. Our United States Marine has been held in a Mexican jail for over 185 days. The President won't pick up his phone or his pen to get him freed. Congressman Royce will also be briefing us on ISIS, Iran and Russia – three of the most serious international challenges to U.S. policymakers. As turmoil increases around the world, so is concern about how deeply the U.S. should get itself involved in this international crises.

Join us in a casual and relaxing evening on the terrace overlooking the golf course for wine and light hors d'oeuvres benefiting North Orange County's Conservative Candidates **Young Kim for Assembly** and **MJ Noor for Fullerton Joint High School Governing Board of Trustees**. CRA supported candidates for City Council in Fullerton, Brea and Placentia have also been invited.

Donation of \$49 is requested. However, this event is free to those who have volunteered or sign up to volunteer for our recommended North Orange County Conservative candidates. For further information and to RSVP, please contact Zonya Townsend at zonya3townsend@aol.com. Address provided upon RSVP, which is requested no later than Thursday, October 9th.
